

I AM AN OVER THE ROAD TRUCK DRIVER. I HAVE XM RADIO IN THE TRUCK AND IT WORK'S ACROSS ALL OF THE STATES I DRIVE IN. THE INSTANT TRAFFIC AND WEATHER IS MUCH MORE INDEPTH THAN I FINE ON MOST LOCAL RADIO AM OR FM. IT HAD HELPED ME MANY TIMES TO AVOID BLOCK ROAD'S AND SAVED TIME AND FUEL. I HAVE NO PROBLEM WITH THIS SERVICE, AND FIND IT TO BE VERY HELPFUL. PLEASE REJECT NAB'S PETITION 04-160 AND LET ME HAVE A VERY IMPORTANT TOOL THAT I USE EVERY DAY SEND'S THEY HAVE COME ON LINE WITH IT.

THANK YOU,

DAVID HUMPHRIES
